**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was previously a customer of ATT and then changed to Sonic which gave me and my family better service and reasonable rates. for both my land phone and internet service. I want the telecommunication business to be competitive and not limited to only two providers. It gives customers the opportunity to choose the provider who provides the best service at the best prices.

The broadband that I receive from Sonic is efficient and allows my family to maintain our business in an efficient way which we were not able to do with ATT.
